nent club woman of Chicago, Ill., contracted a severe cold from being exposed in bad weather, which re-

sulted in serious lung trouble. Mrs. Beaucaire, after taking several doses of Duffy's Pure Malt Whiskey, says it has helped her wonderfully, brought the color to her cheeks, and that she would not be without it.

She pays high tribute to the world's greatest tonic stimulant in the following letter:

"As I am a member of the Huli House Women's Club, I was called out many times when the weather was very bad and so caught a very hard cough, and doctors claimed that my lungs were affected, in fact the left lung was almost gone, but since I have taken your valuable DUF-FY'S PURE MALT WHISKEY, I feel better and would not do without it. I have not been taking it very long, but I am sure of good results; I have good color in my face and feel that I can work with a great deal more ambition. I cannot praise it too much. I have recommended it to several of my friends and they too, are thankful for the benefit they have already derived from it." Mrs. Victor A. Beaucaire 235 Ogden Ave-

Backache, "The Blues"

Both Symptoms of Organic Derangement in Women-Thousands of Sufferers Find Relief.

How often do we hear weeneneary. "It seems as though my back would trenk or "Don't speak to me. I am all out of sorts? These significant remarks prove that the system requires attention.

Rackache and "the blues" are direct symptoms of an inward trouble which will sooner or later declare itself. It may be caused by diseased kidneys or some derangement of the organs. Nature requires assistance and at once, and Lydia E Pinkham's expetable Compound instantly asserts its carative powers in all those peculiar allments of women. It has been the standby of intelligent American women for twenty years, and the best judges agree that it is the most universally successful remedy for woman's ills known to medicine.

Read the convincing testimonials of Mrs. Holmes and Mrs. Cotrely.

Mrs. J. C. Holmes, of Larimore, North Dakota, writes:

Dear Mrs. Pinkham.

"Follow Me 'Ome"

By RUDYARD KIPLING.

Is more she neighs the lote day long.

She paws the lote night through.

An' she won't take or feed 'cause o' waitin' for 'fe step,

Which is just what a beast would do.

Ta girl she goes with a bombardier Before 'er month is through; An' the banns are up in church, for she's got the beggar booked, Which is just what a girl would do.

No more than a round or two;
But I strook 'im cruel 'ard, an' I wish I 'ada't now,
Which is just what a man can't do.

'E was all that I 'ad in the way of a friend,
An' I've 'ad to find one new;
But I'd give my pay an' stripe for to get the beggar back.
Which it's just too late to do.

So it's knock out your pipes an' follow me! An' it's finish off your swipes an' follow me! Oh! 'ark to the fifes a-crawlin', Follow me—follow me 'ome!

Take 'im away! 'E's gone where the best men go.
Take 'im away! An' the gun-wheels turnin' slow.
Take 'im away! There's more from the place 'e come
Take 'im away, with the limber an' the drum.

For it's "Three rounds blank" an' follow me, An' it's "Thirteen rank" an' follow me; Oh! pasain' the love o' women, Follow me—follow me 'ome!

and Milas Albright; for sheriff, J. O.
